WELCOME

TO THE 10TH ANNUAL ALASKA OUT-OF-SCHOOL TIME CONFERENCE

In a world that is constantly evolving, where change is the only constant, we find solace in the bonds that unite us. This year's conference, *'Together Toward Tomorrow'* highlights and celebrates afterschool educator's unwavering resilience and ability to adapt. The afterschool field has faced it's share of uncertainty and change, and yet, still continues to stand united with a shared vision of nurturing, educating, and empowering the next generation toward a better tomorrow.

In this guide you will find a conference Agenda at a Glance and meet some of our exhibitors and generous sponsors. To view all workshop descriptions, meet your presenters, and to create your own personal agenda, please download the Whova app and search for Alaska Out-of-School Time Conference.

The Alaska Out-of-School Time Conference is a collaboration between the Alaska Department of Education & Early Development, Alaska Department of Health, and the Alaska Afterschool Network. This conference would not be possible without our dedicated Conference Planning Committee and sponsors. We hope you enjoy your conference experience!
